Dear prospective applicant for accreditation

1. Application Process

Umalusi accepts applications for accreditation from Private Adult Education and Training Colleges wishing to offer the General Education and Training Certificate: Adult Basic Education and Training (GETC:ABET) at NQF Level 1 (SAQA ID 73249).

The accreditation process is as follows for a new applicant:

	Step in Process	Explanation
1.1	Letter of intent to apply for accreditation	<p>a. A private AET college completes an online "Letter of Intent (LOI) to apply for accreditation" found on the Umalusi website: www.umalusi.org.za "Apply for Accreditation".</p> <p>b. The provider generates an invoice for processing of the LOI on the online system. Payment must be made online.</p> <p>c. Once payment is verified, Umalusi screens the applicant's expression of intent and approves or rejects it or requests further information.</p>
1.2	Attendance of a Quality Promotion (QP) Meeting	<p>a. All applicants must attend a compulsory Quality Promotion (QP) meeting prior to completing their self-evaluation report (application). These meetings are meant to ensure that applicants are fully aware of:</p> <ol style="list-style-type: none"> i. The accreditation process. ii. How to complete an application. iii. The evidence required. iv. Fees applicable and payment methods. <p>b. Attendance at these meetings will be by invitation only. Applicants will be informed of the date of the online meeting (Microsoft Teams). Only the applicants who have submitted their online intent to apply for accreditation, and whose letter of intent has been accepted, will be invited.</p> <p>c. After attendance of the QP meeting, the applicant will be granted access to the online self-evaluation instrument and the invoice for the submission of the self-evaluation report.</p> <p>d. Applicants will also be granted access to the application guideline document that clearly explains in detail what is expected, particularly in terms of the evidence required.</p>

	Step in Process	Explanation
1.3	Submission of online Self-Evaluation report and required Evidence	<p>a. Once the self-evaluation invoice has been paid and payment verified, applicants will be able to submit their self-evaluation report and the required evidence online by uploading on Umalusi's online system.</p> <p>b. An initial screening of the evidence submitted will be conducted to verify whether all the required evidence has been submitted. If not, the submission will be returned for further information.</p> <p>c. After the If the required evidence is not satisfactorily submitted, the self-evaluation report will be returned to the applicant to rework and resubmit with the correct evidence. An additional fee is payable on each re-submission.</p> <p>d. Only two re-submissions will be permitted.</p> <p>e. If there is no improvement after the second re-submission, the entire submission will be rejected. The applicant will then be required to make a new application and pay for the new application from the beginning of the process. On reapplication there will be no access to the documents previously uploaded.</p>
1.4	Registration with the Department of Higher Education and Training (DHET)	<p>a. Once the self-evaluation report meets the minimum requirements, Umalusi will advise the DHET thereof.</p> <p>b. The DHET will then conduct their processes leading to provisional registration as a private AET college if the college meets the minimum requirements.</p> <p>c. In addition to registration as a private college by the DHET, the private AET college must also be registered with the DHET or an accredited private assessment body as an examination centre.</p> <p>d. Applicants which do not meet the requirements for provisional registration with the DHET will not be able to continue with the accreditation process, since registration is a requirement for accreditation. The accreditation application will remain valid for a period of 12 months, during which time the applicant must actively pursue registration with the DHET. Should the applicant not receive registration (or provisional registration) within 12 months, the application for accreditation will be terminated, with no refund of costs for the services already rendered. A new application, at full cost to the applicant, will then need to</p>

	Step in Process	Explanation
		be made should the applicant still seek accreditation by Umalusi.
1.5	Site verification visit	<p>a. The provisionally registered college must inform Umalusi once their enrolled students have completed a full academic cycle and the private college has conducted an external examination through the DHET or an accredited private assessment body. The next phase of the accreditation process, which is the site visit to verify implementation of the qualification/programme, can then take place.</p> <p>b. A site visit will only take place once the requisite site visit fee has been paid and verified.</p> <p>c. Applicants who request a delay of the site visit will retain the status of "unaccredited" until such time as they are found compliant with the accreditation criteria.</p> <p>d. A delay in the site visit (caused by the institution) of more than 6 months will lead to the lapse of the application, with no refund of costs, and no access to the documents previously submitted.</p>
1.6	Accreditation report submitted to the Accreditation Committee of Council (ACC)	<p>a. After a site visit a consolidated report will be presented to the Accreditation Committee of Council (ACC) for a recommendation on the outcome based on the evidence gathered during the evaluation process.</p> <p>b. The decisions which can be made are:</p> <ul style="list-style-type: none"> • 7 years accreditation • 2 years provisional accreditation • Does not meet the requirements – "window period" to improve. • No accreditation (institutions can re-apply for accreditation should they wish to continue offering the qualification).
1.7	Correspondence sent to private AET colleges for which the ACC recommends "a window period to improve" or provisional accreditation for	<p>a. Private AET Colleges which do not meet the minimum requirements for accreditation will be notified of the areas which were found not meeting the requirements at the first presentation of the report to the ACC and the time period in which the requirements must be met for the institution to be granted accreditation. However, the college must maintain the minimum standards in all criteria, not only those listed in the accreditation feedback report.</p>

	Step in Process	Explanation
	the initial application	<p>b. An additional fee is payable for evaluation following a window period to improve or provisional accreditation.</p> <p>c. A site visit (announced or unannounced) may be conducted to verify whether the private college meets the minimum requirements for accreditation following a window period to improve or provisional accreditation.</p> <p>d. Non-submission of required evidence and/or non-payment of the required fee within the specified time period will lead to a final “no accreditation” decision.</p> <p>e. After the follow-up evaluation, the report will again be presented to the ACC for consideration.</p> <p>f. Note that at the time of review, <u>all</u> accreditation criteria must be met. Therefore, if criteria were met at the first presentation of the report, and therefore were not stated as items needing improvement, but the standards drop and the college no longer meets the criteria, that will be taken into account in making a decision on the outcome of the application for accreditation.</p>
1.8	Decision by the CEO	<p>a. Once the Chief Executive Officer (CEO) has approved the recommendation of the ACC the outcome will be communicated to the college by means of a letter.</p> <p>b. A copy of the letter will be sent to the DHET registration Directorate. The DHET will review the provisional registration of the applicant based on the outcome of the application for accreditation.</p> <p>c. An appeal process is in place should the applicant wish to appeal a “no accreditation” decision. It must be noted that an appeal:</p> <ul style="list-style-type: none"> ➤ Must be lodged within the specified dates that are indicated on the letter sent to the institution notifying of the outcome of the accreditation application ➤ Will be considered based on evidence available at the time of the application, not measures put in place subsequent to the evaluation..
1.9	Monitoring	Umalusi will monitor accredited private education institutions in the second year of their seven-year accreditation and further as required by Umalusi.

	Step in Process	Explanation
		Monitoring may be through the submission of a report and supporting evidence, or through a site visit (announced or unannounced).
1.10	Reapplication	All accredited private colleges must reapply for accreditation in their sixth year of accreditation.

2. Payment of Invoices

- a. The fees for the accreditation process are indicated on page 10 of this letter.
- b. Payment must be made per step of the accreditation process. This means that payment for each step must be made before the next step can take place.
- c. No step will be executed before all amounts the applicant is invoiced for are settled. This includes invoices for other services provided by Umalusi, such as certification fees.
- d. Umalusi will not refund any payments made towards an executed step. Should an institution wish to cancel their application, there will be no refund. We therefore appeal to institutions to be sure about their application.
- e. Invoices issued for any step of the process must be settled within three (3) months. Failure to do so will result in the rejection of the application irrespective of the step at which the applicant is.
- f. Applicants whose invoices were not settled, and their applications rejected will be required to re-apply for accreditation at full cost to the applicant. There will be no transfer of funds from previous applications that have been rejected. The applicant will not have access to documents already submitted in the case of the rejection of an application.

3. Reporting of accreditation status

- a. In line with the Department of Higher Education and Training's requirements for registration of private colleges, Umalusi is required to report the accreditation status of colleges to the Department of Higher Education and Training (DHET). To this end, Umalusi will submit such a report to the DHET.
- b. Accredited private education institutions will receive a letter of accreditation and an accreditation certificate.
- c. Accredited private education institutions will also be displayed on Umalusi's website www.umalusi.org.za.
